October 19, 2019

Good Evening, Ladies and Gentlemen,

On behalf of the William Tennent Music Department, it is a pleasure to welcome you to our 25th Annual Celebrations of Bands. The purpose of tonight's show is to showcase the exciting presentation of these marching units and to acknowledge all of the wonderful attributes that marching band programs help to instill in our young students. These groups and individuals have given hundreds of hours to produce their show, while developing qualities such as pride in their work, spirit, integrity, self-discipline and teamwork. Just as the talents you will see here tonight from the hard working young men and women, so too is tonight's show the result of many volunteer hours of effort from our band parents, school district personnel, and band members.

I want to thank the William Tennent Marching Band Association for all of their hard work and accomplishments they provide for our students. I also want to thank the chairman of tonight's show, Craig Weckerly, Bill Linwood, and Steve McDevitt all of the committee heads, and all of the volunteer workers for making this show run smoothly.

I also want to acknowledge the support and encouragement from our school district administrators, WTHS principal, Dr. Dennis Best, and his administrative team; WTHS Athletic Director, John Creighton, and his Secretary Cindy Bradney; and our superintendent, Dr. David Baugh, and the Central Office staff.

I would be remiss if I did not thank the Centennial School Board Directors who have been supportive of Celebration of Bands for the past 25 years, the band directors who were here before me that established this program, and the WTHS custodial staff who always maintains our facilities in top-notch condition.

I wish all of the students continued success in their musical endeavours and hope you all enjoy tonight's performances.

Respectfully,

Charlie DiCarne
Director of Instrumental Music

Dear Parents, Band Members, and Guests:

On behalf of our Board of School Directors and the entire Centennial School District, we welcome you to Alumni Stadium for our 25th Annual Celebration of Bands! Centennial School District is thrilled to host this event, which highlights the exceptional talent of many youthful artists. The students' enthusiasm for music and outstanding ability make us proud.

The students performing in the program today are excellent ambassadors for their schools and communities. Your attendance is a positive and important expression of support for these fine young musicians.

We wish to also extend special recognition to the members of the William Tennent Marching Band Association, specifically, Michele Sedlacsik, President; Becky Gottschall, Vice President; Eric Daubert, Treasurer; Jennifer Linwood, Recording Secretary; and Shelly Orzechoski, Corresponding Secretary; for their efforts and dedication to our students and music program. Also, a special thank you to Mr. Charlie DiCarne, our Band Director, the members of his staff, and the many parent volunteers. Without the support of all of these individuals, tonight's performances would not be possible.

On behalf of the entire William Tennent High School community, it is my pleasure to welcome you to the 25th annual Celebration of Bands. I trust you share with me a strong commitment to the band program here at William Tennent High School. As such, we can all be proud of the outstanding efforts of our band members both as performers and as students.

I am pleased to welcome all of the groups that will be participating in the Celebration of Bands here at William Tennent High School on Saturday, October 19, at 5:30 p.m. Our Marching Band's Director, Mr. Charlie DiCarne, and his dedicated staff work tirelessly to instill in our performers the highest standards of personal responsibility, accountability, hard work, and loyalty expected of those who represent William Tennent High School.

Finally, I would like to thank our WTMBA President, Mrs. Michelle Sedlascik, our Celebration of Bands Chairperson, Mr. Craig Weckerly, and all of the performers' parents, for whom no sacrifice is too great! Last, but certainly not least, we thank our loyal fans.

Enjoy the event and your visit to William Tennent High School. We appreciate your support!

WILLIAM TENNENT MUSIC BOOSTERS ASSOCIATION
PROUDLY PRESENTS
THE 25TH ANNUAL CELEBRATION OF BANDS
OCTOBER 19, 2019

Good evening ladies and gentlemen, On behalf of the William Tennent Music Boosters Association, it is my pleasure to welcome you to our 25th Annual Celebration of Bands in our Alumni Stadium.

This evening you will observe a remarkable display of visual and musical talent from area high school bands. Each band has spent countless hours preparing for tonight's show. We want to thank each of the participating bands, their directors, assistants and band parent organizations for joining us tonight. Your hard work, commitment and talent will make tonight's show unforgettable.

The excitement and backing of our Association members, school administrators, Centennial School District communities and businesses have all helped to make this event a success. I would especially like to thank this year's Celebration of Bands Co-Chairs, Mr. Craig Weckerly and Mr. Steve McDevitt. Craig and Steve, along with all the Committee chairs and volunteers deserve special thanks for all the time that has gone in to creating this successful event. Without their continuous support and dedication to our Association, tonight's event would not be possible. Sincere thanks go to our band director, Mr. Charlie DiCarne and his staff for all their hard work, assistance and inspiration.

Good luck to all the participating bands this evening. We know first-hand what it takes to bring your show from the practice field to the performance arena.

Finally, as a parent of three current William Tennent marching band members, I am so proud of you and all that the unit has accomplished. I am sure that many other parents will agree that this group of students have PRIDE, SPIRIT, and DISCIPLINE.

EYES WITH PRIDE!

*In our 2019 production **Beyond...** we explore the ideas of trying to reach beyond our known limits. We open the production with a mysterious introduction from Dark Side of the Moon by Paul Lovatt-Cooper. This builds into an energetic statement of power from Enterprising Young Men by Michael Giacchino. We continue on to the beautiful and haunting sounds of New World by Björk. The beauty is then interrupted by a driving statement of 160BPM by Hans Zimmer. Lastly, we close out our production with a return to hope as we finally reach beyond returning to additional music from Dark Side of the Moon. The trumpet soloist is Dylan Lorenz.*

Hazleton Area Marching Cougars

To an artist a sky full of colors, a landscape full of life, or a room full of people can spark inspiration. Ideas begin to flow and art is created. But inspiration failures as doubt creeps in. Drastic attempts to fix what the artist perceives as imperfections leads to hopeless frustration. The artist struggles to find their voice in a sea of self-criticism. They must battle to find themselves and accept their own style of creativity!

The Hazleton Area Marching Cougars would like to thank the Hazleton Area School District Board of Education, Superintendent Mr. Brian T. ## Want us to advertise your business?

The William Tennent Marching Band will proudly promote your sponsorship through the following ways:

**Band Equipment Trailer:** This 44-ft. enclosed trailer travels with the band all over the tri-state area to football games, competitions, parades, festivals, and other events. Your corporate logo would be placed on both sides and rear of the trailer, visually providing your business significant exposure.

**Band Website:** [www.WTMB.org](http://www.WTMB.org)--your corporate logo and hyperlink would be attached to the footer of each page on the band's website. The website is a critical source of information for all band members, parents, staff, and anyone wishing to acquire more information about band functions.
